

No one is happy with Hr in the Office

But do you think why no one is happy?

Anyone who worked as an Hr , manage all the things and solved the problems in the office.

But you ever asked yourself who solved Hr.'s Problems.

As an Hr professional, when I joined in a company, I faced so many problems. I can't manage all the things properly; how hard I tried but I failed all the time.

Let's discuss the problems Hr faced -

1. Grievance – No matter what happening employee has come with their problems
2. Leave – Employees took so much leave without any reason
3. Work Efficiency – Seniors are not happy regarding work.
4. Respect – No is Respect Hr or maintain their order properly

Things to remember -

1. No matter what is happening always stay clam
2. Judge before do something
3. Always listed carefully
